---

Welcome to the 2018-2019 academic year!

We hope that you have had a restful summer and are ready to return to RCHS! We have tried to give you important information that will be needed in the days prior to the first day of school.

## **ONLINE REGISTRATION TO BE COMPLETED & SUBMITTED VIA QMLATIVE FAMILY ACCESS**

All new and returning students will register online at [www.rcisd.org](http://www.rcisd.org).

Qmlativ Family Access allows parents the ability to review and monitor their child's assignments, grades, attendance and other information online.

## **FRESHMEN PUP CAMP**

We want ALL freshmen to join us for Pup Camp on Friday, August 10<sup>th</sup> at 4:00 starting in the Performing Arts Center at RCHS! This experience is for students to come and take a tour of the campus, meet their counselors, meet administrators, hear from a panel of current RCHS students and gain a level of comfort with the campus before the first day of school.

- Friday, August 10<sup>th</sup> **Freshmen Pup Camp 4:00pm-6:00pm**

- 

## **STUDENT IDs , SCHEDULES & CHROMEBOOK PICKUP DATES & TIMES**

Students will be required to wear their ID badge at all times. Students will not be able to purchase lunch in the cafeteria or check out library/textbooks without a school issued ID. Everyone will be issued the first ID free of charge. Replacement badges will cost \$3.

We are pleased to continue our C4L (Connected For Learning) Project that we started at Royse City High School two years ago. C4L provides each of our students the opportunity to receive a Chromebook with a user fee of \$30.00 and the C4L paperwork completed as part of the online registration process. Chromebooks are great devices for the educational environment because of their ease of use, great battery life, and cost. The vision behind the C4L Project is to provide all RCHS students access to the digital information they may need to be successful.

All students can pay their Chromebook user fee and pick up their Chromebooks, schedules and student IDs on August 17th in the RCHS Cafeteria. To allow for the greatest efficiency, times are listed below:
